Thanks for the update Helen. Please send me a list of EPA attendees and their titles. I will send out an updated meeting invite. I am working on the agenda now and will hopefully have something this week.

Thanks,

Chris

Subject: [Non-DoD Source] Bradford Island - YES, full EPA team is available for June 23 meeting

Hi, Chris.

Just confirming that EPA's team is available and will attend the June 23 meeting. Richard Mednick -- a

key person on our team --- was out last week, but he confirmed his availability this morning.

I am anxious to get a final agenda in place so we can be well prepared and plan our travel. Can you get back to us with USACE comments on the draft agenda this week?

Thank you --
